ROYAL SHENANDOAH GREENWAY
Zone Two Conceptual Master Plan:
Between South Street and East Criser Road, 0.53 miles

ZONE TWO CONNECTS THE EXISTING HAPPY CREEK TRAIL TO BURRELL BROOKS COMMUNITY PARK AND SAMUEL'S PUBLIC LIBRARY ON EAST CRISER ROAD.

ISSUES AND RECOMMENDATIONS FOR ZONE TWO:
- SAFETY AND LIGHTING ISSUES NEED TO BE ADDRESSED (FIGURE 1) FOR THE TRAIL CONTINUATION UNDER THE BRIDGE.
- AN ALTERNATIVE CONNECTION WOULD BE TO CROSS AT THE STOP LIGHT AT SOUTH STREET AND CONTINUE ALONG HAPPY CREEK TOWARD THE PARK.
- THERE IS LIMITED AREA WITH TOPOGRAPHY TO ACCOMMODATE A TRAIL SOUTH OF SOUTH STREET.
- THE PROPOSED TRAIL IS SITUATED ALONG THE FLAT, GRASSED AREA BEHIND THE SHOPPING CENTER (FIGURES 2 & 3).
- CLEAR AWAY SOME SCREEF PLANTINGS AND ADDING SMALL SITTING AREAS WITH OPEN VIEWS TO HAPPY CREEK (FIGURE 4).
- A SECONDARY PATH COULD GIVE USERS LIMITED ACCESS TO HAPPY CREEK (SECTION C-C).
- DUE TO SLOPE, STEPS MAY BE NEEDED TO ACCESS THE CREEK BANK (SECTION D-D).

SECTION C-C
EXISTING CONDITION

SECTION D-D
EXISTING CONDITION

Additional details regarding the proposed trail alignment and proposed modifications are provided in the drawings. The design should consider the needs of all users, including people with disabilities, and should be accessible to all. The specific route selected for this project will be determined after further consultation with the community and stakeholder groups.
